(2) La personne qui occupe le poste qui figure dans la colonne 2 de l'annexe vis-à-vis de chaque institution de la colonne 1 est désignée comme personne responsable de l'institution. Règl. de l'Ont. 655/90, art. 1, *en partie*.

2 Le document qui peut être constitué à partir de documents lisibles par machine est soustrait à la définition du terme «document» pour l'application de la Loi si sa préparation entraverait abusivement les activités normales d'une institution. Règl. de l'Ont. 655/90, art. 1, *en partie*.

3 (1) La personne responsable qui accorde l'accès à l'original d'un document doit assurer la sécurité de celui-ci.

(2) La personne responsable peut exiger que la personne à qui est accordé l'accès à l'original d'un document consulte celui-ci dans les locaux dans lesquels l'institution exerce ses activités normales.

(3) La personne responsable vérifie l'identité de l'auteur d'une demande d'accès aux renseignements personnels le concernant avant de lui en accorder l'accès. Règl. de l'Ont. 655/90, art. 1, *en partie*.

4 (1) Les personnes responsables veillent à ce que des mesures raisonnables pour empêcher l'accès non autorisé aux documents qui se trouvent dans leur institution soient déterminées, documentées et appliquées en tenant compte du caractère des documents à protéger.

(2) Les personnes responsables veillent à ce que seuls les particuliers qui ont besoin d'un document pour l'exercice de leurs fonctions y aient accès.

(3) Les personnes responsables veillent à ce que des mesures raisonnables pour empêcher les documents qui se trouvent dans leur institution d'être détruits ou endommagés par inadvertance soient déterminées, documentées et appliquées en tenant compte du caractère des documents à protéger. Règl. de l'Ont. 655/90, art. 1, *en partie*.

5 (1) L'institution conserve les renseignements personnels dont elle s'est servie pendant un an au moins après leur utilisation, sauf si le particulier concerné par ces renseignements consent à leur suppression avant la fin du délai imparti.

(2) Pour l'application du paragraphe (1), le délai minimal pendant lequel sont conservés les renseignements personnels contenus dans une base de données informatisée dont la Police provinciale de l'Ontario a la garde ou le contrôle est de 45 jours au lieu d'un an. (2) La personne responsable rembourse tout montant payé aux termes du paragraphe (1) qui est supprimé par la suite. Règl. de l'Ont. 655/90, art. 1, *en partie.*

8 En décidant si elle doit supprimer ou non la totalité ou une partie d'un paiement exigé aux termes de la Loi, la personne responsable tient compte des facteurs suivants :

1. La question de savoir si l'accès au document est accordé à l'auteur de la demande.

2. Si le montant est d'au plus 5 $, la question de savoir si celui-ci est trop petit pour justifier l'exigence d' un paiement. Règl. de l'Ont. 655/90, art. 1, *en partie.*

6. La personne ne communique avec aucun particulier concerné par ces renseignements personnels, directement ou indirectement, sans obtenir au préalable l'autorisation écrite de l'institution.

7. La personne veille à ce qu'aucun renseignement personnel ne soit utilisé ou divulgué sous une forme dans laquelle le particulier concerné par ce renseignement peut être identifié, à moins d'obtenir l'autorisation écrite de l'institution.

8. La personne avise l'institution par écrit immédiatement si elle apprend que les conditions énoncées au présent article n'ont pas été observées.

RÈGLEMENT PORTANT MODIFICATION DU RÈGLEMENT DE L'ONTARIO 517/90 PRIS EN APPLICATION DE LA LOI DE 1989 SUR L'ACCÈS À L'INFORMATION MUNICIPALE ET LA PROTECTION DE LA VIE PRIVÉE

1 Le Règlement de l'Ontario 517/90 est modifié par l'adjonction de la version française suivante :

DISPOSITIONS GÉNÉRALES

1 Le document qui peut être éconstitué à partir de documents lisibles par machine est soustrait à la définition du terme «document» pour l'application de la Loi si sa préparation entraverait abusivement les activités normales d'une institution. Règl. de l'Ont. 656/90, art. 1, *en partie*.

2 (1) La personne responsable qui accorde l'accès à l'original d'un document doit assurer la sécurité de celui-ci.

(2) La personne responsable peut exiger que la personne à qui est accordé l'accès à l'original d'un document consulte celui-ci dans les locaux dans lesquels l'institution exerce ses activités normales.

(3) La personne responsable vérifie l'identité de l'auteur d'une demande d'accès aux renseignements personnels le concernant avant de lui en accorder l'accès. Règl. de l'Ont. 656/90, art. 1, *en partie*.

3 (1) Les personnes responsables veillent à ce que des mesures raisonnables pour empêcher l'accès non autorisé aux documents qui se trouvent dans leur institution soient déterminées, documentées et appliquées en tenant compte du caractère des documents à protéger.

(2) Les personnes responsables veillent à ce que seuls les particuliers qui ont besoin d'un document pour l'exercice de leurs fonctions y aient accès.

(3) Les personnes responsables veillent à ce que des mesures raisonnables pour empêcher les documents qui se trouvent dans leur institution d'être détruits ou endommagés par inadvertance soient déterminées, documentées et appliquées en tenant compte du caractère des documents à protéger. Règl. de l'Ont. 656/90, art. 1, *en partie*.

4 (1) L'institution n'est pas tenue de donner avis de la collecte de renseignements personnels à un particulier concerné par ceux-ci si la personne responsable se conforme au paragraphe (2) et si, selon le cas :

a) donner avis va à l'encontre de l'objet de la collecte;

b) donner avis risque de constituer une atteinte injustifiée à la vie privée d'un autre particulier;

c) l'objet de la collecte est de déterminer les candidats aptes ou admissibles à recevoir un prix ou une distinction.

(2) Pour l'application du paragraphe (1), la personne responsable tient à la disposition du public aux fins d'examen une déclaration décrivant l'objet de la collecte de renseignements personnels et le motif pour lequel un avis n'a pas été donné. Règl. de l'Ont. 656/90, art. 1, *en partie*.

5 L'institution conserve les renseignements personnels dont elle s'est servie pendant un an après leur utilisation ou pendant la période fixée dans un règlement ou une résolution qu'elle a adopté ou qu'une autre institution a adopté mais qui la touche, la plus courte de ces périodes étant retenue, à moins que le particulier concerné par ces renseignements ne consente à leur suppression avant la fin du délai imparti. Règl. de l'Ont. 656/90, art. 1, *en partie*.

6 Les frais suivants sont imputés pour l'application du paragraphe 45 (1) de la Loi :

1. Pour des photocopies et imprimés d'ordinateur, 20 cents la page.

2. Pour des disquettes, 10 $ chacune.

3. Pour effectuer une recherche manuelle d'un document après deux heures de recherche, 7,50 $ pour chaque tranche de quinze minutes qu'une personne consacre à cette fin.

4. Pour préparer un document en vue de sa divulgation, y compris extraire une partie du document, 7,50 $ pour chaque tranche de quinze minutes qu'une personne consacre à cette fin.

5. Pour créer un programme d'ordinateur ou une autre méthode de préparation d'un document à partir de documents lisibles par machine, 15 $ pour chaque tranche de quinze minutes qu'une personne consacre à cette fin.

6. Pour tous les frais, y compris les frais d'ordinateur, que l'institution engage pour le repérage, la récupération, le traitement et la duplication du document si ces frais sont précisés dans une facture reçue par l'institution. Règl. de l'Ont. 656/90, art. 1, *en partie*.

7 (1) Si la personne responsable donne à l'auteur de la demande une estimation d'un montant à payer aux termes de la Loi et que l'estimation s'élève à au moins 25 $, elle peut exiger un acompte égal à 50 pour cent du montant de l'estimation avant de donner suite à la demande.

(2) La personne responsable rembourse tout montant payé aux termes du paragraphe (1) qui est supprimé par la suite. Règl. de l'Ont. 656/90, art. 1, *en partie*.

8 En décidant si elle doit supprimer ou non la totalité ou une partie d'un paiement exigé aux termes de la Loi, la personne responsable tient compte des facteurs suivants :

1. La question de savoir si l'accès au document est accordé à l'auteur de la demande.

2. Si le montant est d'au plus 5 $, la question de savoir si celui-ci est trop petit pour justifier l'exigence d'un paiement. Règl. de l'Ont. 656/90, art. 1, *en partie*.

9 Si une personne est tenue de payer des frais d'accès à un document, la personne responsable peut exiger qu'elle le fasse avant de lui accorder l'accès. Règl. de l'Ont. 656/90, art. 1, *en partie*.

10 (1) Les conditions relatives à la sécurité et au caractère confidentiel que la personne est tenue d'accepter avant que la personne responsable puisse lui divulguer des renseignements personnels à des fins de recherche sont les suivantes :

1. La personne n'utilise les renseignements qu'à des fins de recherche précisées dans l'accord ou pour lesquelles elle a reçu l'autorisation écrite de l'institution.

2. La personne nomme dans l'accord les autres personnes à qui sera accordé l'accès aux renseignements personnels sous une forme dans laquelle le particulier concerné par ces renseignements peut être identifié.

3. Avant de divulguer les renseignements personnels aux autres personnes visées à la disposition 2, la personne conclut un accord avec celles-ci pour veiller à ce qu'elles ne les divulguent pas à d'autres personnes.

4. La personne conserve les renseignements dans un endroit sûr dont l'accès n'est accordé qu'à la personne et aux personnes à qui l'accès est accordé aux termes de la disposition 2.

5. La personne détruit tous les identificateurs individuels contenus dans les renseignements au plus tard à la date précisée dans l'accord.

6. La personne ne communique avec aucun particulier concerné par ces renseignements personnels, directement ou indirectement, sans obtenir au préalable l'autorisation écrite de l'institution.

7. La personne veille à ce qu'aucun renseignement personnel ne soit utilisé ou divulgué sous une forme dans laquelle le particulier concerné par ce renseignement peut être identifié, à moins d'obtenir l'autorisation écrite de l'institution.

8. La personne avise l'institution par écrit immédiatement si elle apprend que les conditions énoncées au présent article n'ont pas été observées.

(2) L'accord relatif à la sécurité et au caractère confidentiel des renseignements personnels à divulguer à des fins de recherche est rédigé selon la formule 1. Règl. de l'Ont. 656/90, art. 1, *en partie*.

11 La demande d'accès à un document visé à la partie II de la Loi ou la demande d'accès à des renseignements personnels visés à la partie III de la Loi ou de rectification de ceux-ci est rédigée selon la formule 2 ou selon une autre formule qui précise que la demande est présentée en vertu de la Loi. Règl. de l'Ont. 656/90, art. 1, *en partie*.

12 Le présent règlement entre en vigueur le 1er janvier 1991.

ENVIRONMENTAL ASSESSMENT ACT

O. Reg. 658/90.
Suspension—The Regional Municipality of Peel.
Made—November 29th, 1990.
Approved—November 29th, 1990.
Filed—December 17th, 1990.

ORDER MADE UNDER THE
ENVIRONMENTAL ASSESSMENT ACT

SUSPENSION—THE REGIONAL MUNICIPALITY OF PEEL

Having reconsidered the grounds for and the granting of an exemption order dated July 11, 1990, filed as Ontario Regulation 397/90 and made pursuant to section 29 of the *Environmental Assessment Act* in respect of an undertaking of The Regional Municipality of Peel, namely:

the activity of establishing, operating and closing a waste disposal site known as Site V1B;

Having announced a three part conserver action program to the Legislature on November 21, 1990 consisting of:

1. increased reduction, reuse and recycling of waste and the creation of a conserver society through,

   (a) mandatory work plans to reduce waste from major users of packaging to achieve 25 per cent diversion by 1992;

   (b) prohibitions of the landfilling of certain valuable resource materials such as wood and cardboard and the development of markets for them;

   (c) separation at source of materials for recycling at industrial, commercial and institutional sites which generate waste;

   (d) seed money for new ideas and initiatives in industrial, commercial and institutional 3Rs programs;

   (e) increased public education to enhance the use of Blue Boxes and composting;

   (f) more funding to improve and expand municipal programs in the 3Rs;

   (g) a review of all provincial policies to discourage the production of waste and provide incentives for its reduction;

2. the introduction of changes to the Environmental Assessment process to ensure the development of an environmentally sensitive, timely and cost-effective process, commencing with the release of the Environmental Assessment Task Force discussion document on the *Environmental Assessment Act*: and

3. the establishment of a new public sector authority which shall operate as a co-operative venture between the province and the regional municipalities in the Greater Toronto Area having the responsibility to search for and select a waste disposal site subject to approval under the revised *Environmental Assessment Act*.

Having regard for the fact that the Greater Toronto Area faces a waste crisis in that, assuming the current rate of waste diversion and the continued use of the Halton landfill site by Halton Region alone, the Greater Toronto Area is likely to experience a shortfall of landfill capacity sometime in 1993;

Having regard for the ability of the Ministry of Environment to monitor on a continuing basis the progress made on waste reduction and the search for a new site under the conserver action program in order to determine if additional capacity is needed prior to the new site becoming available to provide contingency waste landfill capacity to the regional municipalities in the Greater Toronto Area;

Having regard for the possibility of additional waste landfill capacity being provided at three existing sites, in the event of an emergency;

Having weighed the betterment of the people of the whole or any part of Ontario through the protection, conservation and wise management in Ontario of the environment against any possible injury, damage or interference that might be caused to any person or property by the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the exemption given by the exemption order filed as Ontario Regulation 397/90 is hereby suspended. O. Reg. 658/90.

ENVIRONMENTAL ASSESSMENT ACT

SUSPENSION—THE REGIONAL MUNICIPALITY OF DURHAM

Having reconsidered the grounds for and the granting of an exemption order dated July 11, 1990, filed as Ontario Regulation 396/90 and made pursuant to section 29 of the *Environmental Assessment Act* in respect of an undertaking of The Regional Municipality of Durham, namely:

the activity of establishing, operating and closing a waste disposal site in the Town of Pickering known as the P1 Site;

Having announced a three part conserver action program to the Legislature on November 21, 1990 consisting of:

1. increased reduction, reuse and recycling of waste and the creation of a conserver society through,

   (a) mandatory work plans to reduce waste from major users of packaging to achieve 25 per cent diversion by 1992;

   (b) prohibitions of the landfilling of certain valuable resource materials such as wood and cardboard and the development of markets for them;

   (c) separation at source of materials for recycling at industrial, commercial and institutional sites which generate waste;

   (d) seed money for new ideas and initiatives in industrial, commercial and institutional 3Rs programs;

   (e) increased public education to enhance the use of Blue Boxes and composting;

   (f) more funding to improve and expand municipal programs in the 3Rs;

   (g) a review of all provincial policies to discourage the production of waste and provide incentives for its reduction;

2. the introduction of changes to the Environmental Assessment process to ensure the development of an environmentally sensitive, timely and cost-effective process, commencing with the release of the Environmental Assessment Task Force discussion document on the *Environmental Assessment Act*; and

3. the establishment of a new public sector authority which shall operate as a co-operative venture between the province and the regional municipalities in the Greater Toronto Area having the responsibility to search for and select a waste disposal site subject to approval under the revised *Environmental Assessment Act*;

Having regard for the fact that the Greater Toronto Area faces a waste crisis in that, assuming the current rate of waste diversion and the continued use of the Halton landfill site by Halton Region alone, the Greater Toronto Area is likely to experience a shortfall of landfill capacity sometime in 1993;

Having regard for the ability of the Ministry of Environment to monitor on a continuing basis the progress made on waste reduction and the search for a new site under the conserver action program in order to determine if additional capacity is needed prior to the new site becoming available to provide contingency waste landfill capacity to the regional municipalities in the Greater Toronto Area;

Having regard for the possibility of additional waste landfill capacity being provided at three existing sites, in the event of an emergency;

Having weighed the betterment of the people of the whole or any part of Ontario through the protection, conservation and wise management in Ontario of the environment against any possible injury, damage or interference that might be caused to any person or property by the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the exemption given by the exemption order filed as Ontario Regulation 396/90 is hereby suspended. O. Reg. 659/90.

ENVIRONMENTAL ASSESSMENT ACT

O. Reg. 660/90.
Exemption—The Association of Conservation Authorities of Ontario.
Made—December 7th, 1990.
Approved—December 7th, 1990.
Filed—December 17th, 1990.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT

EXEMPTION—THE ASSOCIATION OF CONSERVATION AUTHORITIES OF ONATRIO

Having received a request from The Association of Conservation Authorities of Ontario (ACAO) that an undertaking, namely:

the water management activities, listed in the Class Environmental Assessment for Water Management Structures (Class EA), for which an approval was issued on the 12th day of December, 1985, pursuant to Order-in-Council Number O.C. 2898/85, and the proponents thereof,

be exempt from the application of the provision in the environmental assessment that the approval ceases to apply on December 12, 1990, unless certain procedures set out in Chapter 12 of Section I of the environmental assessment have been carried out, pursuant to section 29 of the Act; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. Member Authorities of the ACAO and Municipalities in Ontario will not be able to plan their water management structure projects according to the Class EA process, as of December 12, 1990;

B. Member Authorities of the ACAO will be damaged and interfered with by the undue expense and time required to prepare an environmental assessment or a request for an exemption order for every water management structure project they propose to undertake after December 12, 1990.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management of the environment which would result from the undertaking being subject to the Act;

The undersigned is of the opinion that it is in the public interest to order, and therefore orders, that the undertaking be exempt from the application of the said provision for the following reasons:

A. The ACAO, pursuant to Chapter 12 of Section I of the accepted environmental assessment (a copy of which, together with the other documents referred to herein, may be found in the public record for the undertaking, maintained at the Environmental Assessment Branch of the Ministry of the Environment, pursuant to section 31 of the Act), requested the Minister to extend the approval for the undertaking for a further five-year period and the Minister received advice from the Environmental Assessment Advisory Committee (EAAC) that, subject to certain conditions, the ACAO submit a new environmental assessment and be given an interim extension of approval for an amended version of the existing Class EA to permit the new assessment to be reviewed and decisions made on its acceptance and approval of the undertaking;

B. The proponent is undertaking a public consultation process which will culminate in the production of amendments to the Class EA, pursuant to the requirements of Recommendation #2 and Recommendation #3 in EAAC Report No. 43, for the Minister to process under Chapter 12 of Section I of the accepted environmental assessment;

C. Municipalities in Ontario which propose water management structure projects costing less than $3.5 million, and which are not subject to any other Class EA requirements, would be entitled to proceed with those projects without performing an environmental assessment after December 12, 1990;

D. The amendments submitted, if satisfactory to the Minister, will enable the Minister to grant an extension to the approval of the existing Class EA for an interim period during which the proponent will prepare and submit a new Class EA;

E. The extension given by this order will enable the Conservation Authorities and any Municipalities which carry out undertakings, pursuant to the process set out in the Class EA, under subclause 5 (4) (a) (iii) of Ontario Regulation 205/87, to continue to do so subject to the conditions set out below.

This exemption is subject to the following terms and conditions:

1. This exemption order shall cease to apply if amendments to the Class EA are not submitted to the Minister by March 1, 1991.

2. The amendments, among other matters, shall specify:

   (a) a date not later than March 1, 1992 by which the proponent shall submit a new Class EA for projects approved under the existing Class EA;

   (b) an expiry date for proceeding with projects under the amended Class EA which is not later than the earlier of December 31, 1992 or the date on which an approval is issued with respect to a new Class EA for such projects.

3. This exemption order shall cease to apply on the date the Minister

gives a decision in writing to the ACAO as to whether an extension to the approval with respect to the existing Class EA, based on the amendments submitted pursuant to condition 1, is approved or not.

4. The Minister's decision on extending the approval with respect to the Class EA as amended is not subject to the requirement in the existing Class EA that it be made with a further approval of Cabinet.

5. This exemption order does not apply with respect to new projects, where "new projects" are defined as those projects which:

(a) in the case of projects with a cost range of $175,000 -$2.7 million, have not had public notification pursuant to Phase 1 of the Planning and Design Process, as set out in Chapter 4.2 of Section I of the approved Class EA, by December 12, 1990; or

(b) in the case of projects with a cost range of $2.7 million - $3.5 million, and where the proponent of the project is a Municipality other than a Conservation Authority, have not had public notification pursuant to Phase 1 of the Planning and Design Process, as set out in Chapter 4.2 of Section I of the approved Class EA, by December 12, 1990; or

(c) in the case of projects costing less than $175,000, have not been published in an annual list, pursuant to clause 6 of Chapter 9 of Section 1 of the approved Class EA, by December 12, 1990.

6. If the Minister's decision is to extend the approval of the Class EA, based on the amendments submitted by the ACAO, activities may continue thereafter under the Class EA, as amended.

7. Where any activity which otherwise would be exempt under this order, is being carried out as or is part of, an undertaking for which an environmental assessment has been accepted and approval to proceed received, the activity shall be carried out in accordance with any terms and conditions in the approval to proceed as well as the conditions of this order.

8. Where any activity which is the subject of this order, is being carried out as, or is part of, an undertaking which is the subject of another exemption order under the Act, the activity exempt under this order shall be carried out in accordance with any terms and conditions in the other exemption order as well as the conditions in this order. Having received a request from Laidlaw Waste Systems Limited ("Laidlaw") that an undertaking, namely:

> the proposal to continue to operate the waste disposal site and extend the existing fill contours and operate as an interim measure the existing, approved Storrington Landfill Site located on Part of Lot 18, Concession VII, Storrington Township, County of Frontenac, for the disposal of domestic, commercial and non-hazardous solid industrial wastes be exempt from the application of the *Environmental Assessment Act* pursuant to section 29; and

Having been advised by Laidlaw that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. Although Laidlaw has developed a long-term waste management strategy which has been designated as an undertaking subject to the *Environmental Assessment Act* and is being reviewed under the Act, the users of the site, including the residents of the City of Kingston and Townships of Kingston and Storrington will be interfered with by facing a lack of capacity for waste disposal between the exhaustion of the existing approved capacity at the site and the completion of approved new waste disposal capacity under the Act without having had adequate opportunity to make interim arrangements.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

A. For those municipalities which are presently being serviced by the Storrington Landfill Site, the expansion of the existing fill contours at the Landfill Site is an interim measure for which there are no other reasonable waste management alternatives which can be implemented within the necessary timeframe. Interim alternatives which have been evaluated include the do nothing, closure and waste transport to alternative sites.

B. The existing landfill site has operated under Certificate of Approval A381502. An emergency Certificate of Approval was issued to Laidlaw on May 30, 1990. Any proposal by Laidlaw for the amendment of Certificate of Approval A381502, beyond a four-month emergency amendment, is subject to consideration of any request for a further exemption by the Environmental Assessment Advisory Committee.

This exemption is subject to the following terms and conditions:

1. This exemption order does not imply that an exemption will be granted to future ancillary or related activities.

2. This exemption order applies to any changes in the proposal which are imposed as a result of the approval procedure under the *Environmental Protection Act.*

3. Where any activity which otherwise would be exempt under this order, is being carried out as, or is part of, an undertaking for which an environmental assessment has been accepted and approval to proceed received, the activity shall be carried out in accordance with any terms or conditions in the approval to proceed, as well as the conditions of this order.

4. Where any activity which is the subject of this order, is being carried out as, or is part of, another undertaking which is the subject of an exemption order under the Act, the activity exempt under this order shall be carried out in accordance with any terms or conditions in the other exemption order, as well as the conditions of this order.

5. No waste shall be disposed of at the site pursuant to this exemption order after April 30, 1991. O. Reg. 702/90.
